

RG104 E-1 Box 167

UNITED STATES COAST AND GEODETIC SURVEY,

OFFICE OF WEIGHTS AND MEASURES,

WASHINGTON, D. C.,

9<sup>th</sup> Jan, 1891.

Mr. Edward O. Leech  
Director of the Mint  
Washington

Dear Sir:

This office wishes to obtain a plate about 25 centimetres long 8 centimetres wide and  $\frac{1}{2}$  millimetre thick, of pure gold, for electroplating weights. I beg leave to enquire whether we can obtain it from the Mint by paying for the cost of material.

Yours respectfully  
T. C. Mendenhall  
Superintendent

Hon. Edward O. Leech  
Director of the Mint  
Washington

Sir:

Referring to our previous correspondence  
and especially to your letter of the 14<sup>th</sup>  
inst. and the letter of Superintendent  
Bosbyshell of the Philadelphia  
Mint I beg leave to request that you  
will ask that such a plate be made for  
this office. Thanking you for your  
courtesy in this matter

I remain

Very truly yours
